HONOURING SERVICE AND INSPIRING THE FUTURE...

The memorial is a campfire scene symbolising the outdoor nature of Scouting. The focal point is a kinetic fire sculpture creating an eternal flame that moves in the wind.

Gone Home

The layout of the memorial is inspired by the 'Gone Home' tracking symbol used to represent Remembrance in Scouting.

Stone Figures

Carved stone figures will accompany visitors in their Remembrance. A few sleep while a leader watches over them celebrating the active and caring nature of the worldwide family of Scouts.

Neckerchief

A solitary stone Neckerchief sits beside the fire, remembering the Scouts that are no longer with us.

Around the edge of the stone blocks will be carved:

"Try and leave this world a little better than you found it and when your turn comes to die, you can die happy in feeling that at any rate you have not wasted your time but have done your best" Lord Baden-Powell
